Lillian's In-home Private Chef Services

As a private chef service, we plan and organize your dinner party event and prepare and serve an elegant menu, tailored to your specifications.

Private dining/House call services include:

1. A pre-event meeting with you for menu planning and assessment of your kitchen, your cookware and your tableware (serve ware, flatware, dinnerware, and glassware).
2. Menu development
3. Shopping for all groceries
4. Dinner preparation in your kitchen on the day of the event using your cookware and large and small appliances if needed. We supplement our own cookware and appliances (food processor, mixer, etc.), as necessary.
5. Serving hors d'oeuvres and dinner
6. Clean up – your kitchen, cookware and serveware will be left spotless; you, the host(s) will be responsible for putting them away.

Lillian's In-home Private Chef Services

On the night of your dinner party your job is to enjoy yourself, your party and your guests.

If not already retained prior to the event through Ensayne Provisions, you, the host(s), will be responsible for the purchase and serving of liquor and wine.

If it is determined that your serveware will not accommodate the number of people you wish to entertain, renting these essentials will be necessary. We arrange the rental, the pickup and the return.

You will be asked to pay a 50% rental deposit after a quote is received and you will be invoiced for the balance the day of the event.

A rental pickup and return fee of \$50 will be charged, which is due the day of the event.
